Dear Friends,

At Kirby Nagelhout Construction Company, we take great pride in supporting our community. We believe that character determines destiny and that our continued success is ensured by honoring our commitments to integrity, quality, and service to our clients. This belief is our foundation, and is central to all we do. It focuses our energies, guides our decisions, and leads us to seek the innovation and teamwork necessary to provide our clients with construction services that are second to none.

Our commitment to our clients and our pride in the work we do every day also shapes how we give back to our community. We are proud to support Deschutes Children's Foundation and their vision to create a community where all children and families have the resources they need to thrive.

Thank you for joining us at this special celebration. Kirby Nagelhout Construction Company has worked with Deschutes Children's Foundation on many projects over the years, both as a builder and as a financial sponsor. When we join together to support Deschutes Children's Foundation, we advance their crucial work to help nonprofits serving children and families succeed. And that, we believe, is a source of pride for all of us.

Enjoy your evening. Together, we can make a difference in our community.

Sincerely,

Jeff Deswert
