

CARPENTER

COMPANY BACKGROUND: Kirby Nagelhout Construction Company (KNCC) is a Central Oregon based, regional General Contractor and Construction Manager with divisional offices in Bend, Pendleton and Portland. We are experienced in all types of commercial construction including educational, office, mixed use, higher education, industrial, multi-family, hospitality, religious, and many other types of facilities. We provide preconstruction and construction management services and all team members work in both aspects. We are builders at heart and truly emphasize owner satisfaction, quality and safety on our projects. We are looking to hire excellent people who seek long term careers.

Today we are looking for skilled carpenters to join our growing team based out of our Portland division. Under general supervision, our carpenters perform journeyman level work in all phases of commercial construction and repair and maintenance of structures. Every team member is required to have a thorough knowledge of all aspects of construction, construction material, tools (power and hand) and general construction methods, as well necessary safety practices. The ideal candidate will possess effective communication skills with their direct Foreman and/or Superintendent, as well as with all co-workers, owners and subcontractors. Basic carpentry tools are required and a comprehensive list will be provided at time of hire. Must have reliable transportation, report to work on time and ready for work at the beginning of each shift. Carpentry tasks include, but are not limited, to the following...

JOB DESCRIPTION:

1. Frame building structures from lumber and plywood
2. Install and remove concrete forms and assist with placement of concrete
3. Install finish trim, window casing, wood base and misc. wood trim
4. Install FRP, plastic laminate and other interior paneling
5. Install exterior siding and trim of all types
6. Install doors, door frames, door hardware and windows
7. Use of standard hand tools (these tools supplied by employer)
8. Perform other miscellaneous carpentry and laborer duties as requested

BASIC QUALIFICATIONS:

1. High school diploma or equivalent
2. U.S. citizen or legally eligible to work in the United States
3. Must pass a pre-employment drug screening test
4. Knowledge of materials, methods and the tools involved with construction
5. Physical ability to perform duties as assigned

COMPANY OFFERINGS:

1. A pleasant work environment with a great team.
2. Competitive pay while on private jobs as well as potential for prevailing wage earnings
3. Group insurance plans including health, pharmacy, vision, dental, health reimbursement accounts, and life insurance coverage available starting after 60 days of employment.

This is an immediate opening. For consideration, please email resume with cover letter. Please be sure to indicate your availability to start work.
