

Get help with expenses health insurance doesn't cover

Health insurance pays doctors and hospitals if you're sick or hurt, Aflac pays benefits directly to you.* And you can use the money your way, whether to help with health care costs or any other expense you may have.

Here are some of the supplemental insurance policies Aflac offers:

Accident

Accidents happen. When a covered accident happens to you, our accident insurance policy pays you, unless assigned otherwise cash benefits to help with the unexpected medical and everyday expenses that begin to add up almost immediately.

Critical Illness (Specified Health Event)

An Aflac specified health event insurance policy is designed to help with the costs of treatment if you experience a covered health event.

Whole or Term Life

With Aflac's whole life or term life insurance, you can rest easy knowing that your family will have financial security when they need it most.

Cancer/Specified-Disease

Aflac's cancer/specified-disease insurance policy can help you and your family better cope financially if a positive diagnosis of cancer ever occurs.

Hospital Confinement Indemnity

Hospital stays are expensive. An Aflac hospital confinement indemnity insurance policy can help ease the financial burden of hospital stays by providing cash benefits.

Dental

Keep a bright, healthy smile with Aflac's dental insurance policy. Our policy provides benefits for dental care.
